NFHS rule 1-Section 2-Article 1-Note (the double first base) was adopted on July 23, 2008, by the WIAA Executive Board for all levels of post-season play including the state championships beginning with the 2008-09 school year.

Practice Access

Each site will determine if practice will be allowed on the tournament playing fields prior to the start of the tournament. Any expenses involved will be paid by the schools using the facility.

Selection of Home Team

Home and visiting teams will be designated on the draws for the first round of play. The tournament manager or designee will conduct a coin toss for all succeeding rounds with the two coaches to determine the home team. The winner of the coin toss will have the choice of being home or visiting team.

Infield Practice

May be allowed on the tournament playing fields prior to the first round of games. Home team shall take infield practice first.

Line-up Cards

Each coach must deliver their batting order to the umpire on Line-up Cards.

Coaches' Uniforms

Any coach participating in either pre-game or regular game activities must be in the uniform of the school at all times. Uniform specifications for coaches are listed in the NF Softball Rulebook.

Length of Game

A regulation tournament game shall be seven innings in length unless extended because of a tie score or unless shortened because of the 10 run rule, or the home team needs none of its half of the seventh inning or only a fraction of it, or because of weather or similar conditions.

Continuing Suspended Game

Any game that is interrupted with teams having played less than the required number of innings to be considered a regulation game according to NFHS rules will be continued from the point of suspension. The tournament manager shall determine when the game will be completed. The line-up and batting order of each team shall be exactly the same as the line-up and batting order at the moment of suspension, subject to the rules governing the game.

Tie Breaker Procedure

The NFHS tie breaker procedure will be implemented after **eight (8) full innings** have been played. Each subsequent half-inning begins by placing a runner on second base. That runner is the player in the batting order who precedes the lead-off batter in that inning. Then the game proceeds a full inning or until a winner is determined in that inning.

Postponed Games

When necessary to postpone any tournament game, it shall be the responsibility of the tournament manager to re-schedule according to WIAA policy (refer to Inclement Weather Policy in General Tournament Regulations.) The tournament manager shall have a plan for rain-outs worked out in advance. The manager shall keep everyone informed including the WIAA office. Postponed games may be played on Sunday,
