TO: Athletic Directors
RE: Ordering School Uniforms
FROM: Mike Colbrese
DATE: December 5, 2012

Before ordering new uniforms, we encourage the athletic director to review all of the pertinent National Federation of State High School Association (NFHS) sports rules and regulations regarding legal uniforms. (Do not expect the sporting goods salesperson to know the appropriate rules.) Athletic directors who have questions about the legality of a uniform should contact the WIAA staff person responsible for the respective sport.
