

2018-19 EXECUTIVE BOARD GOALS

1. Continue to develop a clear, efficient and effective governance structure that meets the needs of the Association's constituents.
2. Continue the review of the classification procedures and revise as necessary.
3. Educate and inform the public about WIAA structures and processes.
 - A. Spread the WIAA message.

The WIAA 101 power point will be a polished presentation that will include the responsibilities of leagues, WIAA districts, and the state association. The WIAA Executive Board, Honorary Board, District Directors, and staff will utilize the power point during all workshops, clinics, league and district meetings, and other speaking engagements.
 - B. Publicize a flow chart that lays out the decision-making process and lines of authority.
 - C. Establish methods to listen to key groups (listening tours) and be open to discussing challenges and criticisms.
4. Increase the awareness of the WIAA member schools diverse needs.
 - A. Provide tools that schools or districts can access.
 - B. Partner with the diversity committee.
5. Manage the selection of, and the transition to, the Association's new executive director.
