Practice Rounds: Practice may be allowed at the bowling facility prior to the start of the tournament. Any expenses involved with practice will be paid by the school participating at the facility. **The facility that hosts state will set aside 1-hour time slots for each school prior to the scheduled event. Schools will need to reserve by Tuesday at 10:00am the week of the tournament or practice slot will be released to the public.** One to two lanes may be available for limited warm up during the event.

Entries/Allocations: Team and individual allocations are made to each WIAA district using the allocation process.

Team Definition: A team roster shall consist of no more than seven (7) bowlers with five (5) bowling at any given time during any game.

Individual Definition: Individual qualifiers come from teams that do not qualify for the state tournament. STATE TOURNAMENT FORMAT:

The tournament will consist of two (2) days of competition. The first day of competition will consist of Individual and Team Competition. Individual awards will be given at the end of day one (1) with only team competition continuing to day two (2). All teams will qualify for the second day of competition.

All individual competitors and teams will bowl six regular games on the first day with total pin count used to determine the individual champion. Individuals must bowl all six games to be eligible for the individual title. The top individuals will be awarded medals.

TIE: In the event there is a tie for the individual state champion, a bowl-off will take place between the tied individuals. They will bowl the 9th and 10th frames. If the tie remains, they will continue to bowl the 9th and 10th frames until the tie is broken.

A round robin format will be utilized on the second day. Each team will bowl 14 Baker games. The total pin count from day one and two will be added to determine the top teams that will receive trophies.

TIE: Following the final round of competition if there is a tie for the final position, the teams that are tied will bowl a Baker game to break the tie. If the teams are still tied after the Baker tiebreak game, a second Baker tiebreak game will be played. This process will continue until the tie has been broken.

Baker Format: The Baker system format places emphasis on the team effort rather than individual accomplishment of team members. All team members follow each other in regular order to bowl a single game. For a 5-player team, Player #1 bowls frames 1 and 6; #2 bowls 2 and 7; #3 bowls 3 and 8;
