

2010-2012 Second Opportunity Classification Opt-up Form

OPTING FOR A HIGHER CLASSIFICATION - Schools may opt up to a higher classification. There will be two (2) opportunities to opt up: A) The first opportunity will be prior to the enrollment count. After all the schools desiring to opt up have done so on WIAA Classification Commitment Form 3, the member schools will be divided into equal classifications after the numbers are finalized by the WIAA. B) The second opportunity to opt up will be a two week period after all the classification numbers have been finalized. A school opting up during this two week period must have approval from their District Board and the WIAA Executive Board. This rule will only be applied during the years that schools are reclassified using percentages.

NOTE: There is only ONE option at this time, Schools may only OPT-UP during this second opt-up opportunity. Schools may not resend their previous opt-up without loss of post-season participation
